Black out the entire card (complete all 25 squares) and you'll be entered to win a **\$100 Life Unplastic gift card**.

Other Details:

You don't *have* to spend money to participate.

Use what you have! Simply peruse the indie bookstore. And so on.

If a square suggests a purchase and you already have a low-waste workaround, that counts too. You can take pictures to document your successes, or screenshots or whatever makes sense to you. We won't be too nit picky.

**Above all: have fun!**

**Cards must be turned in by July 31st. Prizes must be redeemed by Dec 31st.**

**Grand Prize will be announced first week of August.**
